EPoSS Annual Forum 2022

4-7 OCTOBER 2022

TURIN, ITALY

Annual Forum Overview

[EPoSS](#) – European Association on Smart Systems Integration – will hold its **Annual Forum 2022** on **October 4-7 in Turin, Italy**. This year's event will be hosted by the EPoSS member and strategic partner [MESAP Innovation Cluster](#) - at Centro Congressi Unione Industriali Torino - with the motto **“Connecting Systems, Driving Transition”**.

The Annual Forum represents an opportunity to keep abreast of the main megatrends in electronics and to get in touch with big players such as **BOSCH, CONTINENTAL, ST MICROELECTRONICS, SIEMENS, FRAUNHOFER, CEA, VTT**.

>> MAIN TOPICS

The Annual Forum will focus on **topics** related to:

- **Electronic Components and Systems (ECS)**
- **Smart Systems Integration (SSI)**
- **Integrated Micro and Nanosystems**

>> GOALS

The event is a **meeting place** for the all-round community to:

- **INSIGHTS AND UPDATES**
- **NETWORKING**
- **FIELD VISITS** to Piedmontese companies
- **START-UPS INVOLVEMENT** and echo at EU level

Thematic Agenda Overview

Topics in agreement with MESAP specialisations

MAIN Topics

- **Smart and Sustainable MOBILITY**
(road, water, rail)
- **Advanced Manufacturing/ Additive Manufacturing & 3D and printed electronic circuits**
- **Sensors/ IoT/Internet of Everything (IoE)**
- **Flexible and wearable electronics**

CROSS-CUTTING Topics

- Green ECS / Green transition
- Digital Innovation Hubs
- Photonics Integration
- AI at the Edge
- New Packaging Technologies
- Quantum Sensing
Intellectual and Industrial Property
- SAE – Silicon Europe Alliance
Chips Act

Agenda Overview

>> AGENDA AT A GLANCE

4 October 2022

Reserved for EPoSS members only

EPoSS Executive Committee Meeting
Working Groups
Social dinner

Expected people: 40

5 October 2022

Day 1 of Public Conference

Opening Session & Political Speeches
Thematic sessions
Social dinner

Expected people: 200

>> CROSS-CUTTING ACTIVITIES

Call for Presentations

A Call to action will be launched to gather input from the latest developments in Smart Systems Integration to be presented during the public conference.

6 October 2022

Day 2 of Public Conference

Thematic sessions
Start-up Award session
Social dinner

Expected people: 150

7 October 2022

Field Visits to Piedmontese companies and organisations

Expected people: 100

Start-up Award 2022 | A competition for start-ups

The participants will present their innovations for different application areas (such as manufacturing technologies, energy, mobility, flexible electronics, wearables, food, agriculture or medical technology).
